The Keller family is pleased to present the Charles Keller collection, celebrating 43 years of continuous operation of the artist's original loft space. The collection features his work from the 1940s, 1950s and, for the first time shown in New York, a body of work he did while living in Italy during the 1960s and early 1970s.

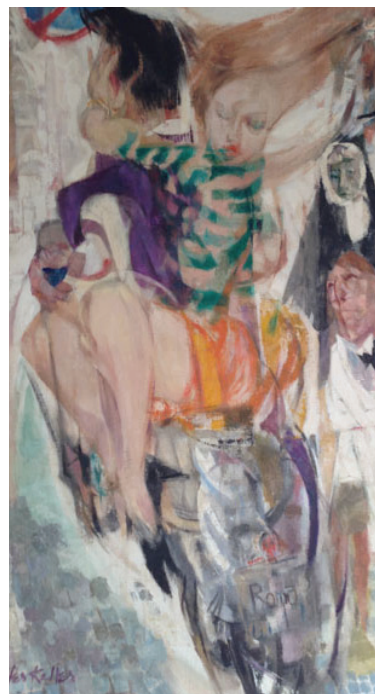

Please join us for a taste of the old Lower East Side in this bohemian setting with a final showing and sale of paintings, drawings and prints before this studio closes in August 2016.

RSVP: <charles@keller.com>, or to <katy@keller.com>, or to <colterrul@gmail.com>, or to <marthe@keller.com> ... or just come!

To make an appointment for other times, contact Tracy Zungola, Studio Manager, at charles@keller.com.

The career of Charles Keller is one of painter, printmaker and cartoonist balanced with the role of political activist. Scenes of labor and portraits of the disenfranchised are prominent in his work. Work by Keller has been exhibited internationally and in every decade in more than twenty one-man shows. Charles' vast number of political cartoons were recently acquired by the Tamiment Library at NYU. His work is in the collections of the Boston Museum of Fine Arts, The Schomburg Center, The Wolfsonian Museum, and the British Museum among many others. Charles is represented by the Susan Teller Gallery, NY.
